[Second edition of Lyonbiopôle Partnering Days: registration online](#)

Lyonbiopôle organizes, for the second consecutive year, Lyonbiopôle Partnering Days on October 24, 2008 at Europole World Trade Center in Grenoble. This day of scientific and technologic animation aims to foster exchanges between Industries, SMBs, Academics and Clinicians around common topics. Workshops organized during this day will support the emergence of future collaborative R&D projects.
